

EMPOWERED TO RESTORE

Education

Supporting children's educational needs can establish a strong foundation for their future, improve their skills, and set them on the path to success. This assistance can increase their confidence and drive, inspiring them to pursue their dreams. We extend our sincere gratitude to our kind donors for providing 45 students with the opportunity to receive education for only \$300 per child annually. Join us in reaching our goal of supporting 100 children.

Clean Water - Wells

Access to clean water is essential in underdeveloped communities, notably in Liberia and Tanzania, where the infrastructure and resources for safe drinking water are inadequate. In August, Empowered to Restore Ministries plans to install four wells – three in Liberia and one in Tanzania – with the support of our partners and from the Antioch Missionary Baptist Church. The cost of installing one well is \$3800.

Proverbs 19:17

"If you help the poor you lend to the Lord and he will pay you back."

Sewing Centers

This month marks a significant achievement for ETR, as more than 350 women have successfully completed our Sewing Classes. We extend our heartfelt gratitude to our donors and empowering members for empowering women and girls to become self-sufficient. The Sewing Centers empower women, while our tailoring program empowers young men. You can sponsor a center for \$1000 or a Sewing Machine for \$145.

Churches

ETR is thrilled about launching a new church in Maigibi Liberia. Your prayers are greatly appreciated as we start this project. If you wish to contribute towards chairs, bibles, paint, roof, flooring, and more, please visit our website.

IMPACT STORY

This month, we had the privilege of presenting ETR's vision and mission to the Antioch Missionary Baptist Church in Miami Gardens, Florida. The strong sense of community, both locally and internationally, led by Pastor Arthur Jackson III, Deacon Don Horn, and their team, made a lasting impact. The church's commitment to creating positive change in the community is evident through investments in educational institutions and other impactful projects. We are thrilled to announce our new supporting partner - Antioch Missionary Baptist Church, which has generously supported the establishment of 4 Sewing Centers, 3 Wells, sponsored 13 Scholarship Students, 10 Sewing Student Scholarships and acquired 7 machines. We express our sincere appreciation to Antioch Missionary Baptist Church for becoming Empowering Members of Empowered to Restore Ministries, Intl.
